DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/13/2009 has been entered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: Claims 21-34 and 37-40 are canceled. Claims 21-34 and 37-40 were non-elected without traverse.

In claim 35 line 9, "detcher" is changed to ---detacher---.

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach the claimed system for detaching and collecting an IC tag from a paper sheet comprising: a swelling unit for soaking a paper sheet in a liquid where the adhesive in the sheet is soluble, a detacher which applies an agitating stream of liquid to an adhesive surface between the paper sheet and the IC tag in the liquid to detach the IC tag from the paper sheet, wherein the swelling unit pours the liquid into said detacher and a fractionator for fractionating the detached IC tag from other substances.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ALEXANDER P. TAOUSAKIS whose telephone number is (571)272-3497. The examiner can normally be reached on M-F 8-4:30.
